

## ONCOLOGY SKIN THERAPY

### Skin Comfort Therapy

Gentle, hydrating, therapeutic touch for those dealing with the side effects of anti-cancer therapies including chemo, radiation, and surgery. Special care is given to safely work around ports, lymph node removal and radiation sensitivity by your **Oncology Trained Esthetician**. This treatment is highly customized, and is designed to calm and comfort dry, irritated, sensitized skin, and allow a space for relaxation and quiet repose. *1 hour \$85*

*\*Recommended between 3-6 days after chemotherapy infusions, suitable immediately after radiation, or with your Oncologist's approval.*

***"Both my skin and my spirit were well taken care of. I feel healthy and pampered." ~ Marjorie W***

Since 2007, Viriditas offers advanced professional skin care treatments for discerning clients who want visible results without needles or surgery.

No Botox, no fillers, no scalpels; just educated, licensed estheticians and high performance botanical and non-toxic organic skin care.

We are your Skin Transformation Specialists: all we do is skin. All treatments are fully customized for your specific skincare needs and concerns.
